

A Full Range of Manufacturing Capabilities for Fast, Precise, Repeatable Results

Large or small format – high or low quantity – simple or complex fabrication. Our extensive in-house expertise, sophisticated craftsmanship and specialized equipment allow us to deliver efficiently and cost-effectively.

CNC MACHINING:

- Wide range of state-of-the-art cutting and routing equipment
- CNC and 5-axis routing
- Retention of your coded instructions for speed, accuracy and repeatability

VACUUM FORMING:

- Both single-station and rotary vacuum formers
- Large 60" x 96" sheet sizes, multiple thicknesses and wide variety of materials
- Examples: trailer tubs, truck bed liners, gas tank shields, storage bins, UTV/ATV accessories, retail displays and bakery trays

DRAPE FORMING:

- Multiple conveyor ovens to accommodate both large and small sheet sizes
- Specialization in large format jobs and working with complicated materials - including polycarbonate
- Examples: shields, guards and enclosures for industrial machines, boat windscreens, snowmobile windshields and industrial cab enclosures

PRINTING:

- Screen and digital technologies accommodating large, medium and small formats
- Capability to print on a wide variety of materials
- Extensive experience in using both conventional and UV inks

Aubright delivers exceptional results in custom components, products and display fixtures for industries nationwide.
